v.

GYRUS MEDICAL, INC., et al.,

Case No. 12-cv-5967-PJH

ORDER RE STAY

On December 30, 2013, the court entered a stay in the above-captioned case, pending completion of the inter partes review of the patent-in-suit. See Dkt. 116. The court's order stated that the stay would terminate upon the issuance of a final written determination by the Patent Trial and Appeal Board ("PTAB").

On June 25, 2015, the parties filed a status report informing the court that the PTAB had issued a final written decision. However, the parties requested that the stay be maintained "at least until plaintiff decides whether to request reconsideration, appeal, or plaintiff's period for filing a notice of appeal to the Federal Circuit has passed." The parties' request is GRANTED. Within five business days of plaintiff making a decision on whether to request a reconsideration or appeal, or within five business days of the passing of plaintiff's deadline for filing a notice of appeal (whichever applies), the parties shall file a joint status statement.

IT IS SO ORDERED.
